

Dear Traveler, **HEALTH COMES FIRST.**

The Peruvian Government has taken these measures to fight against COVID-19:

- Travelers entering the country must fill out a sworn statement ([link](#)) and also provide the following before boarding the plane: **a negative molecular test (PCR), a negative antigen test or a medical certificate of epidemiological discharge**. PCR or antigen test results must be obtained no later than 72 hours prior to check-in.
- Travelers entering the country must comply with a mandatory 14-day quarantine. However, upon arrival in Peru, visitors will be able to take an **antigen** test. A negative result of this test will eliminate the quarantine. The passenger must pay for the test.
- The entrance of non-resident passengers from United Kingdom, South Africa and/or Brazil, or who have made a stopover in such countries in the last 14 days, is suspended from **April 12 to 18**.
- Land borders are temporarily closed, therefore international passenger transportation by land is suspended. Peruvians and foreign residents may enter the country by complying with the protocols and measures established by the Ministry of Health.
- The only requirement for flights to the interior of the country (local flights) is the **signature of a sworn statement** indicating that the traveler does not have symptoms of COVID-19.
- **High alert level:** The movement of people schedule is from 04:00 h to 22:00 h, with vehicle restriction on Sundays in the regions of **Huánuco** (Huánuco, Ambo, Dos de Mayo, Huacaybamba, Huamalíes, Leoncio Prado, Marañón, Pachitea, Puerto Inca, Lauricocha and Yarowilca), and **Lambayeque** (Chiclayo, Ferreñafe and Lambayeque).
