

Dear traveler, **HEALTH COMES FIRST**

The Peruvian government has taken these measures to fight COVID-19:

- All travelers entering the country must complete the following **sworn statement** ([link](#)).
- All travelers **12 years and older** entering the country must show their COVID-19 vaccination card with the completed dose. Otherwise, they must show a **negative molecular test** issued up to 48 hours prior to boarding. Children under 12 years old are only required to be asymptomatic to board.
- For **domestic flights**, passengers over 12 years old, will only be able to board **if they prove to be fully vaccinated**, either in Peru or abroad, and those over 40 years of old will need to show their booster dose (if are authorized to receive it) according to the current protocol, otherwise they must show a **negative molecular test** issued up to 48 hours prior to boarding.
- The use of face shields is **no longer required to board domestic and international flights**.
- For **interprovincial land transportation**, passengers over 18 years old, will only be able to board **if they prove to be fully vaccinated**, either in Peru or abroad, and those over 40 years of old will need to show their booster dose (if are authorized to receive it) according to the current protocol, otherwise they must show a **negative molecular test** issued up to 48 hours prior to boarding.
- For **enclosed places**, visitors over 18 years old will only be able to enter **if they prove to be fully vaccinated**, either in Peru or abroad, and those over 40 years of old will need to show their booster dose (if are authorized to receive it) according to the current protocol.
- It is **mandatory** to wear a KN95 mask or, in its replacement, a three-fold surgical mask with a fabric mask over it to circulate on public spaces and in enclosed places.
- It is important to wash hands constantly, avoid crowds and keep social distance.
- These measures will be in force **from February 14 to 27, 2022**, according to SUPREME DECREE No. 015-2022-PCM ([link](#))
