

Dear traveler, **HEALTH COMES FIRST**

The Peruvian Government has taken the following measures to fight COVID-19:

- All travelers entering the country must complete an **affidavit** ([link](#)).
- Before boarding the plane, **all travelers 12 years of age or older** must show a **vaccination card** with the required doses completed up to 14 days before the flight. Otherwise, those travelers must show a **negative PCR test** issued up to 72 hours before boarding.
- The entry of non-resident passengers from South Africa or who have made a stopover in said country in the last 14 days is suspended **until November 28**.
- Quarantine time is **canceled** for travelers entering the country with the exception of Peruvians and foreign residents from South Africa or anyone who have made a stopover in that country, who must carry out a mandatory quarantine at their home, accommodation or other temporary isolation center for 14 days counting from the day of arrival in Peru.
- The use of a face shield is **no longer required to board national or international flights**.
- **Moderate alert level:** Free circulation hours are from 04:00 am to 02:00 am of the next day.
- **High alert level:** Free circulation hours are from 04:00 am to 11:00 pm.
