

Dear traveler, HEALTH COMES FIRST

The Peruvian Government has taken these measures to combat COVID-19:

- All travelers entering the country must complete the following **sworn statement** ([link](#)).
- All travelers **12 years old and older** must present their COVID-19 vaccination card with the completed dose. Otherwise, they must present a **negative molecular test** issued up to 48 hours prior to boarding. Children under 12 years old are only required to be asymptomatic to board.
- The entry of non-resident passengers from South Africa and Botswana or passengers who have made a stopover in South Africa and Botswana within the last 14 days is suspended **until January 30, 2022**.
- The use of face shields is **no longer required to board domestic and international flights**.
- **High alert level:** Circulation hours are from 4:00 a.m. to midnight.
- **Moderate level:** Circulation hours are from 4:00 a.m. to 2:00 a.m. of the following day.
