

## Dear traveler, **HEALTH COMES FIRST**

The Peruvian Government has taken these measures to fight against COVID-19:

- Travelers must arrive to Peru with their **molecular test (PCR)**, indicating that they do not have coronavirus. The results of these tests must be obtained at least within 72 hours before check-in and an affidavit must be filled out [here](#).
- People arriving to Peru from abroad must quarantine mandatorily for 14 days in their domicile, temporary isolation center or accommodation. At the sixth day of quarantine, travelers can get tested with a new molecular test (PCR) confirming that they do not have coronavirus to continue with their travel.
- The entrance of non-resident passengers travelling from Europe, South Africa and/or Brazil or who have made a stopover in such places is suspended until **March 14, 2021**. Peru's land borders are closed temporarily.
- **High alert level:** The movement of people schedule is from 04:00 h to 22:00 h, with vehicle restriction on Sundays in the regions of **Cajamarca, La Libertad, Lambayeque, Madre de Dios, Piura, San Martín and Ucayali**.
