

Dear traveler, **HEALTH COMES FIRST**

The Peruvian Government by the Supreme Decree N° 130-2022-PCM ([link](#)) announces the repeal of the Covid-19 State of Emergency, therefore:

- On entering the country: it will not be necessary to present a vaccination card or a negative molecular test when entering or leaving the country.
- About the use of masks: the use of masks is optional in opened spaces and/or closed spaces.
- Finally, national, regional and local authorities will continue to monitor and promote healthy practices regarding the health emergency, such as vaccination against COVID-19.
